Port Stephens Luxury Prime Beachfront Estate

Auctioned

This enormous luxury home had one of the highest build costs in the Bay when built in 2006 at over \$1.5 million, sprawling over 1080m2 of prime pristine beachfront with jaw dropping views to the heads. It also boasts an International award winning multi zoned pool within its expansive internal courtyard that separates the fully self- contained 3 bedroom, 2 level guest quarters from the state of the art luxurious 3 level, 4 bedroom home, with own theatre room and gymnasium. A home of this calibre rarely hits the market and the vendors of this amazing property want it gone by Christmas.
